## 2. Reservation and cancellation terms for single travellers

Lunch reservations are recommended. Based on the numbers of reservations the optimal preparations for staff numbers and catering organisation can be achieved. Reservations for single travellers can be made by telephone, letter, fax or email (privately or over our homepage). Please note that reservations made by telephone can only be confirmed verbally, due to the large volume of telephone calls. Written reservations will be reserved in writing.

Confirmed reservations merely state that the Panoramic Gourmet AG has recorded the booking and that passengers would like to eat lunch on board. It is no seat reservation for the Glacier Express. The meal will be served at the seat indicated when the reservation was made. For organisational reasons we reserve the right to alter the times of service and the menus.

## 3. Cancellations, reductions in numbers and other alterations

Reservations for single travellers can basically be cancelled or changed free of charge. We kindly ask you to inform us about cancellations or change in reservations as soon as possible.
